FEATURES:

HexArmor® Chrome Series® gloves are built for a wide array of applications. Each product in the series was crafted to fit the hand with a specific purpose. With over 14 styles and various features such as impact protection, an abrasion-resistant knuckle patch, or a PVC printed palm, you can be confident that the Chrome Series® will keep your hands protected in any hazardous condition. Our Chrome Core™ gloves were designed with comfort in mind, providing unsurpassed dexterity while maintaining industry leading cut resistance.

HexArmor®

HexArmor® products are cut and puncture resistant, NOT CUT AND PUNCTURE PROOF. Do not use with moving or serrated blades or tools. User shall be exclusively responsible to assess the suitability of the product as specified for any individual application or use. Protection zones are to be used as a general guide. Actual product protection zones may differ. Product features, design, protection zones subject to change.
