#### Product information

A contemporary softshell jacket that has a windproof, water-resistant and breathable membrane, with the added luxury of a micro polar fleece. This jacket has a host of technical features including an internal pocket, pre-formed elbows and elasticated cuffs. The stylish design, subtle stitch detail and contrast colour touches make this jacket an eye-catching addition to the PW2 collection.

#### PW2

PW2™ is the latest evolution of workwear by Portwest. This versatile collection has been specifically designed to allow for overbranding and can be easily customised. Corporate logos can be applied to the large panels in key visibility areas enhancing brand identity. The two-tone design comes in a variety of colourways and the slim-fitting styles can be mixed and matched to make head to toe uniforms. All products have been produced using metal-free plastic trims that are concealed to ensure garments are anti-scratch and comfortable to wear.

#### All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
